## Recommendations

In order to avoid administrative mistakes and facilitate the refund :

- Keep carefully all the original justificatives / invoices (train tickets, subway tickets, etc.).
- Give all justificatives / invoices ranked by type and date numerically to QMat project manager as soon as you return.
- Only reasonable expenses will be reimbursed (for example 2nd class train not 1st class).

Be aware: if you want to use a car to reach your destination, the car has to be registered with your name.
